Community Health Worker—Young Families Project, O&E

Northwest Michigan Health Services, Inc. is currently seeking a Community Health Worker for our Health Center located at 119 S. State Street, Shelby, MI. right in the center of Oceana County.

The Community Health Worker will coordinate the Young families Project and specialize in community outreach. The Community Health Worker will act as an advocate for individual and community health needs identifying barriers to care and services in the area such as scheduling, transportation, understanding procedures and language barriers. This position will also assist individuals and families in health insurance enrollment such as Medicaid and the Health Insurance Marketplace and will be required to maintain accurate records and reports.

Qualifications

- Bilingual (Spanish / English)
- Bachelor's Degree in Health Education or related degree or at least two years experience in a related field
- Ability to work independently
- Organized, good problem solving skills and creative
- Community Health experience preferred

Northwest Michigan Health Services, Inc. is an Equal Opportunity Employer
