

Now Hiring!!!

Finance Director

Northwest Michigan Health Services, Inc. is currently seeking a full time Finance Director. The Financial Director reports directly to the Chief Executive Officer and is primarily responsible for the financial management and fiscal requirements of the organization including Grants Management, preparation and administration of capital and operational budgets, Federal reporting requirements and revenue cycle.

Qualifications

- Master's Degree in finance, business administration, a closely related field; or Bachelor's Degree in a financially related field with CPA and (5) years related experience.
- At least 5 years of healthcare experience; ideally from a non-profit organization, Federally Qualified Health Center experience is preferred.
- Strong knowledge and understanding of accounting and finance principals including but not limited to GAAP
- Effective leadership skills
- High level of analytical, critical thinking skills and communication skills both written and verbal.
