

Hey, I know you!

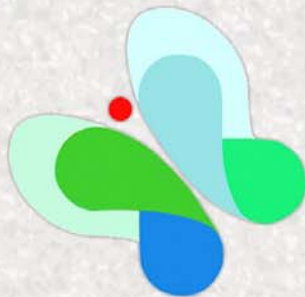

Daniel R. Fisher D.D.S.

We expect **Dr. Daniel Fisher** will be hearing that a lot from his dental patients.

That's because he was raised in Traverse City, attending St. Francis from kindergarten through high school. He's back home now after completing his training at the University of Michigan's School of Dentistry. And he's carrying on a proud family tradition – his father and grandfather also were dentists.

Dr. Fisher is ready to make a difference in your life. Call us and get reacquainted today!
