NORTHWEST MICHIGAN
HEALTH SERVICES INC

BRING WELLNESS TO LIFE.

At Northwest Michigan Health Services Inc, we serve the whole person through medical, dental and behavioral health services. Our friendly team is committed to making sure consistent, quality care is in reach for everyone in our community. Whether you have health insurance or not, all are welcome here. To make quality care possible, we focus on increasing access and support for all of our patients. We offer support services including insurance enrollment support, a sliding fee program, extended hours and 24/7 call service, mobile clinics, pharmacy services, interpreter services and more.
